Modern and robustly constructed, this is the height of luxury in the Bangtao area of Phuket. The large pool set in lawned gardens with tropical trees, is the centerpiece of the property with plenty of room for the sun-worshippers on the terraces. Inside is light and airy due to the decor and the large patio doors that can be fully opened to fill the house with breezes from the Andaman Sea. A modern kitchen, dining area, lounge, and two luxurious bedrooms all combine to offer the highest standard of accommodation. Upstairs there is a roof terrace, covered by a pitched roof under which you can not only enjoy a special meal around the dining set, but also fantastic views beginning with mountainous jungle behind.

LOCATION

Set in Bangtao on the upper reaches of Phukets sunset coast, this location brings together tranquility with convenience. Within the complex itself, there is a superb restaurant, and a first-class spa where you can pamper your every need. A short distance from the main gate takes you to a Tesco shopping complex, where in addition to the supermarket there are a McDonald's, pizza shop, and a Boots pharmacy. For golfers the Laguna Phuket with its 18-hole course is also in this area, but possibly the main attractions are the long stretches of white sands of Bangtao and Surin beaches, just a short drive away.
