### Description

Our "non-smoking" cottage is located on the 8th tee box of the Links Golf Course and has a view of the Choctahatchee Bay. It is a stand alone unit with plenty of room to spread out and enjoy, which makes it a great choice for families. Relaxing with coffee on the deck and watching the golfers is a favorite past time of many of our guests. The deck is equipped with table and chairs and gas grill and charcoal grill.

The cottage has two bedrooms with Queen size beds and two sleeper sofas with Queen size pull outs. One sofa is located in the living room and the other in the sunroom. This unit is very spacious and very inviting. It will sleep eight comfortably with no problem. TV's are located in the living room and both bedrooms.

The kitchen is fully equipped and has a full size washer and dryer. The separate dining room is enclosed with windows to enhance the view. The storage room provides a perfect place to store your bikes, pool floats, and any other items you may need to put away. There is plenty of room to store luggage carriers, bike carriers and the like.

Pools are a very short walk or bike ride away. Parking is available at the pools if you choose to drive. While the cottage is located on Bayside, it is an easy walk or bike ride to the Florida Gulf and sandy Beaches.

There is a pedestrian, bike and golf cart tunnel under Hwy 98 to accommodate this easy access. Parking is available on the Beachside as well if you prefer to drive.

Public Grocery Store is located to the east just off the Sandestin Resort at Grand Boulevard and can be accessed without having to get on Hwy 98. Numerous restaurants and shops are located in this area as well.

You will LOVE this wonderful, relaxing atmosphere. You can stay at Sandestin and NEVER leave the resort and stay busy and entertained all the time. It is truly always "a beautiful day at Sandestin".
