Description

Villa Vieux Caribe. 5 equal master bedrooms, 5 baths, pool, oceanfront. A taste of the old Caribbean with all modern amenities.

Vieux Caribe (pronounced view caribe) recalls the days of yore when leisure time was spent under slow moving fans with palm fronds casting long shadows in the quiet afternoon and soft conversations enjoyed while having cool drinks as condensation forms on your glass.

This peaceful setting still exists at Villa Vieux Caribe where an atmosphere of distinctive graciousness exists throughout. Completed in the year 2000, Vieux Caribe appears to have stood for centuries, but all modern amenities are contained within.

The Holiday Villa has five master bedrooms, each with en-suite bathrooms. Each bedroom opens onto a covered deck affording spectacular vistas of sea, sky, land and sunsets all meeting in dazzling prospect.
